

Part 2 – Section 6: Officer Scheme of Delegation

This part of the Constitution sets out the ways in which the Chief Officers of the Council can make decisions and which decisions they have power to make.

It is separated into four parts:

Part 1 – Introduction

Part 2 – General Delegations

Part 3 – Delegations to Chief Executive and Chief Officers

Part 4 – Statutory Officer and Proper Officer Appointments

Chief Officers are able to further delegate responsibility for decision making to other officers who report to them. The idea is that the work can be done at the most efficient level possible but, at all times, the Council, the Leader and the Chief Officers remain responsible.

1 INTRODUCTION TO THE OFFICER SCHEME OF DELEGATION

- 1.1 “**Officers**” is the term used to refer to the people employed, retained or appointed by the Council to advise and support Councillors and implement their decisions. The term “officers” in this Constitution includes all the people who operate in this capacity including contractors, consultants and agency staff.
- 1.2 The Council operates a “cascade” principle of delegation to ensure that decisions are taken at the most appropriate level closest to those who will be affected. This means that the vast majority of the Council's decisions and actions will fall into the category of operational day to day decisions taken by its officers.
- 1.3 In order to ensure the smooth functioning of the Council and the efficient delivery of services, **Council**, the **Leader** and the **Executive** have delegated to officers all of the powers that they need to perform their roles. This scheme describes powers and functions reserved to particular statutory or proper officers as well as the more general authority as granted by Council and the Executive to be able to implement decisions and to undertake and operate the Council's functions. Additional authority to act, or reservations to any authority granted, may be set out in a decision of the Council, a Committee or Executive or through a separate Leader's or Committee's Scheme of Delegation
- 1.4 Certain officers have specific legal duties and powers to ensure that the Council acts within the law, uses its resources wisely and exercises its powers properly. These officers are known as “Statutory” or “Proper” Officers and some have specific legal titles in addition to their job titles.
- 1.5 The way the Council structures its services and its officer arrangements changes from time to time to reflect changes in service delivery and best practice. The current arrangements include a Chief Executive/Head of Paid Service (as the most senior officer of the Council) supported by a number of Chief Officers.
- 1.6 See the current organisational structure of the Council, showing more detail about the roles and responsibilities of the Chief Officers and the officers supporting them to deliver all the Council's services.

General Principles Relating to Officer Delegation

- 1.7 For the purposes of officer delegated powers, both within this part and any other part of the Constitution, the term “Chief Officer” shall include the following officers:
 - 1.7.1 The Head of Paid Service (Chief Executive)
 - 1.7.2 The Monitoring Officer (Chief Legal Officer)
 - 1.7.3 The Section 151 Officer (Chief Finance Officer)
 - 1.7.4 The Assistant Chief Executive
 - 1.7.5 The Director of Adult Social Care and Housing

- 1.7.6 The Director of Corporate and Transformation Services
 - 1.7.7 The Director of Children and Family Wellbeing
 - 1.7.8 The Director of Place and Economy
 - 1.7.9 The Director of Public Health, Customer and Community Wellbeing
 - 1.7.10 The Chief Innovation and Commercial Officer
- 1.8 This scheme gives the power for the Chief Officers to take decisions in relation to all the functions in their areas of responsibility except where:
- 1.8.1 a matter is prohibited by law from being delegated to an **Officer**; or
 - 1.8.2 a matter has been specifically excluded from delegation under this scheme by a decision of the **Council**, a Committee or Sub-Committee.
- 1.9 The cascade principle under which this scheme operates means that any officer given powers under this scheme can further delegate those powers to other officers through a Local Scheme of Delegation (which sets out all the standing delegations given to specific officers in defined areas of the Council's service areas). A full list of the Local Schemes of Delegation is available on the Council's website and you can look at any of the schemes in detail.
- 1.10 All Local Schemes of Delegation (and any changes to them) must be agreed by the relevant Chief Officer and the Monitoring Officer.
- 1.11 Where a function has been delegated to an **officer** (including where sub-delegated through the cascade principle), the person or body making the delegation may at any time take back responsibility for the function and may therefore exercise the function (make the decision) despite the delegation.
- 1.12 In some circumstances the **officer** to whom a power has been delegated may consider a matter to be of such importance or sensitivity that their delegated authority should not be exercised. In these circumstances he or she may refer the matter back to the delegator for determination.
- 1.13 Any power delegated or cascaded under this Scheme can be exercised by the relevant Chief Officer and in all cases by the Chief Executive personally, with the exception of those statutory functions delegated exclusively to the Council's **Chief Finance Officer** or the **Monitoring Officer**.
- 1.14 The powers of this Scheme are delegated to the officers referred to by title within this Scheme of Delegation. So the delegations apply to whoever holds that post title at any time – not to the individual person. The powers are automatically transferred to any successor officer, to whom the functions are allocated following any reorganisation of the Council's management arrangements, irrespective of a change in the title/name of the officer post. Nominated Deputies are able to exercise all functions of the person delegating the functions.

- 1.15 Delegations relate to all provisions for the time being in force under any applicable legislation and cover functions of the Council and all powers and duties incidental to that legislation
- 1.16 Any delegation must be exercised:
- 1.16.1 In accordance with the **Budget and Policy Framework**, all the Council's Procedure Rules, the Pay Policy Statement approved annually and the Officer Code of Conduct;
 - 1.16.2 In accordance with the decision-making requirements set out in the Constitution, including requirements for decision-records and access to information;
 - 1.16.3 In accordance with any appropriate legislative, regulatory, consultation, equalities or procedural requirements that may be required; and
 - 1.16.4 Having identified and managed appropriate strategic and operational risks within the officer's area of responsibility
- 1.17 Officer decisions must be evidenced in writing using the agreed standard form, dated and signed by the officer exercising the delegated authority.
- 1.18 An **officer**, in exercising delegated powers may consult the relevant Committee Chair or executive Councillor if they consider it appropriate to do so and shall consult other appropriate officers for professional advice including legal, financial and technical officers and shall have regard to any views and advice received.
- 1.19 Whenever legislation is amended or replaced by new provisions, then the relevant delegated authority in this scheme applies to those new provisions. Whenever new legislation relevant or related to the functions exercised by the Chief Officer is introduced, that officer will have the delegated authority to exercise powers or otherwise take action under that legislation until such time as the **Council**, the executive, a Committee or the **Chief Executive** decides to whom to allocate responsibility for the new legislation.
- 1.20 Chief Officers may, by notice in writing addressed to the Monitoring Officer, appoint another officer to act as their deputy in their absence and such deputy shall have all the powers of the Chief Officer as set out in this Constitution. A deputy may be appointed in relation to all the areas of service delegated to the Chief Officer under this Constitution or in relation to a particular area of service only. A deputy may be appointed for a specific period of time (for example to cover the absence of a Chief Officer) or without time limitation. The appointment of a deputy shall not prevent the exercise by the Chief Officer of any delegation set out in this Constitution.
- 1.21 If there is any dispute or lack of clarity as to which Chief Officer has power to make decisions on specific areas of service, the Chief Executive shall have power to determine where the delegation should be exercised.
